"It's Better to Talk than to Fight"

Article in liberal Folha de S. Paulo (10-24) by columnist Clovis Rossi says: "All the analyses that had indicated a road to collision between Iran and the West began to dry up in half a dozen days, after 30 years of estrangement....things are moving forward.....It seems clear that what President Barack Obama calls his engagement policy is working.....It is obvious, nothing has been resolved. But things are better today than they were one month ago."
